She has done her Master's in English, Mass Communication & Journalism, B.Ed, IT, CISELT, and is presently specializing in Organizational and Industrial Psychology.

GRIFFIN Publication is an initiative by the author and poet Mousumi Kalita Sachdeva wherein we aim to publish the best scripts and give them the shape of wonderful books.

Our team guides aspiring authors to follow the right ways of writing and getting published. We personally guide aspiring authors to polish their writing skills and get their stories crafted to become worthy to be published. Every script undergoes the process of assessment by the Editorial Team and is finally edited finely before giving it a shape of a book.

GRIFFIN Publication aims to keep the standard of Language and Literature high with ethical practices. We assure you of our transparency and stand firm by our strong honest principles. We request you keep your patience throughout the publishing process and experience a wonderful journey with us in the long run.
